ABOUT THE FUNDS HELP CREDITS

## Which nature project do you have in mind:

Get inspired! Here are examples of conservation projects where Community funds could be used to assist in various aspects of management:

- Conservation of bears in Natura 2000 sites
- Livelihood from forestry and agriculture in Natura 2000 sites
- Sustainable river management including otter habitat conservation with tourism activities in Natura 2000 sites
- Harbour porpoise conservation project
- Management of dry grasslands in Natura 2000 sites
- River management with agriculture, aquaculture and tourism activities in Natura 2000 sites

Now what is the name of your planned measure?

→ Improvement of water quality

**Paso 2 Medida:**  
Escribe el nombre de la medida que quiera realizar.

**Por ejemplo:** Mejora de la calidad del agua (Improvement of water quality)
