Details of European Funding Options

Funding for your measure should be available through the provisions given by the following EU regulations:

1) European Agricultural Fund for Rural Development 36(b)(vii)

Please note that this article has some specific restrictions that you need to take into account:

- » This Article is applicable for rural areas

For further details see: http://europa.eu.int/comm/agriculture/index_en.htm

2) European Agricultural Fund for Rural Development 52(a)(iii)

Please note that this article has some specific restrictions that you need to take into account:

- » This Article is applicable for rural areas

For further details see: http://europa.eu.int/comm/agriculture/index_en.htm

3) European Agricultural Fund for Rural Development 63

Please note that this article has some specific restrictions that you need to take into account:

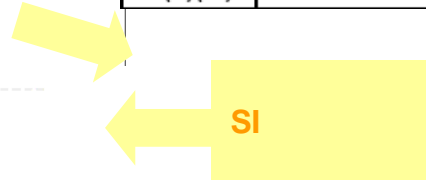

- » Applicable in areas designated for LEADER approach under EAFRD. Initiatives financed under the LEADER approach support the diversification of rural economies and the improvement of the quality of life in rural areas.
- » This Article is applicable for rural areas

For further details see: http://europa.eu.int/comm/agriculture/index_en.htm

36(b)(vii) Apoyo a las inversiones no productivas [bosques]

52(a)(iii) Estimulación a las actividades turísticas
